

ANGEL ^{OF THE} WINDS

CASINO RESORT

Angel of the Winds Casino Credit Application FAQ'S

Casino Credit is a credit line payable through your checking account. You are issued a marker in exchange for chips or cash. The time period to repay each marker is determined by the amount of the marker(s) issued. You are required to return any unused marker balances. Markers may be paid directly or may be withdrawn from your checking account.

Q: How do I apply?

A: Apply online through our web-based application prior to your visit, <https://nccreports.com/application/?angelofthewinds> or visit the Cashier's Cage and request assistance.

Q: What is the smallest credit line I can request?

A: Our minimum credit line is \$5,000.

Q: How will I be notified if I'm approved or denied for casino credit?

A: An Angel of the Winds Casino representative will contact you at the "preferred contact method" you indicate on your credit application. Decisions may take up to 10 business days.

Q: If approved, what additional steps do I need to complete establishing my credit line?

A: Once approved and upon your arrival, stop by the Cashier's Cage for ID verification, and to complete signature requirements. Once completed, you will be able to access your credit. This credit is provided via a Marker, which is a counter check against your casino credit line that will be repaid with funds from your checking account.

Q: How do I request a Marker?

A: Guests with an established line of credit can request a Marker at any time without having to leave the table game. Simply show the table games team your ID and player's card. If you are at a slot machine, simply visit the Cashier's Cage.

Q: What can I use my casino credit for?

A: You may use your credit line for gaming activities such as slot machine play or table games play only.

Q: How long do I have to pay back the funds?

A: The payback period is typically 7-45 days, depending on dollar amount of credit issued.

Q: Can I use the funds for sports wagering?

A: No, the funds are for table games play or slot machine play only.

Q: Once I set up my line of credit at Angel of the Winds Casino, how do you keep my account up to date?

A: At least once yearly, and for any modification requests, Angel of the Winds Casino may undertake subsequent investigations necessary in connection with the review or renewal of your casino credit line including updated credit checks or bank verification.
